BE PREPARED BEFORE YOU START TO REGISTER

Please read all pertinent information related to your Discipline including General Rules, Syllabus 2021 Discipline, Scholarships, Awards & Provincial Recommendation requirements.

All mandatory fields must be entered to complete registration. Please ensure you have all the required information available before beginning the process.

Note: There may be changes to required information due to the virtual aspects of Virtual Festival 2021.

PRIOR TO STARTING THE REGISTRATION PROCESS:

Review the registration needs prior to inputting. Make a list of all required information for each participant. Examples include: participant email addresses (or parent's if NA), birthdate as well as participant's URL address for the location to their performance video recording, such as YouTube account. **PLEASE NOTE: The URL that appears while LOGGED Into your designated YouTube account is the URL that needs to be included in the Solarislive registration. Without it, the video recording will not link to the adjudicator package.**

Note: This URL is crucial to preparing the Solarislive Adjudicator Packages which includes video recordings and sheet music or text PDFs as required. Multiple video recordings can be located at the same URL and **MUST** be labelled as described. *"10 easy steps to complete Video Recording & Sheet Music and Text PDF Uploads"*. *Click to go to document on www.kfpa.ca website homepage.*

Default Registration Fillers:

Due to the timing of registration and KFPA preferring to provide more practice time for final video recording productions, 'registration fillers' may be required.

Use Registration 'default fillers' where info is not yet available at registration time.

Music & Speech Arts:

For *most* classes, when asked for:

Title - Add the name of the class as a filler (if you do not know your real title yet)

Composer - Add *your* name as a filler

Sheet Music UPLOAD - Add a "filler" PDF. If you get an ERROR message, try another PDF.

Dance:

Title - Add the name of the class as a filler (if you do not know your real title and group name yet)

Composer - Add *your* name as a filler

Sheet Music Upload - Add a "filler" PDF. If you get an ERROR message, try another PDF.

Before the **January 25 deadline for entries**, replace the TITLE and GROUP NAME "fillers" only.

No need to change the composer or PDF "fillers".

2) For **OWN CHOREOGRAPHY**, when asked for:

Title - Add the name of the class as a filler (if you do not know your actual title yet)

Composer - Add *your* name (as you are the choreographer)

Sheet Music Upload - Add a "filler" PDF. If you get an ERROR message, try another PDF.

Before the **January 25 deadline for entries**, replace the TITLE.

Before the **February 18 deadline for submissions**, replace the PDF "filler" with a PDF of your Own Choreography NOTES.

The information you type into the KFPA Solarislive registration form is exactly the information that will be seen in the Discipline listings and in the Discipline Adjudicator Packages. Check carefully to see you have typed your name correctly; use capital letters where appropriate; and check all spellings of your selections and composers. Also ensure your video recordings, sheet music and text PDFs are labelled appropriately as described in the “*10 easy steps to complete Video Recording & Sheet Music and Text PDF Uploads*”. *Click to go to document on www.kfpa.ca website homepage.*
